For details on how to purchase the Collectibles scheduled to be sold on October 26, 2021 and October 28, 2021, users can visit <https://marketplace.draftkings.com/about>. Each of the Collectibles sold on October 26 and 28 will be available for purchase while supplies last.

Users may complete a “**Set**” by acquiring (i) one trap, (ii) the corresponding schematic (e.g., the Reverse Beartrap corresponds to the Reverse Beartrap Schematic), and (iii) a

unique key that will correspond to all traps and schematics. To complete a Set (e.g., the Death Mask Set or the Bucket Head Set), the user must have individual keys to complete each; for example: if a user holds the Death Mask Trap and the Death Mask Schematic, they will need one (1) key to complete the Death Mask Set, and if that user holds the Bucket Head Trap and the Bucket Head Schematic, they will need another key (for a total of two (2) keys) to complete the Bucket Head Set in addition to the Death Mask Set. The Key will also unlock privileges in connection with future SAW or Lionsgate drops or experiences.

For each different Set a user completes, such user will be eligible to receive one (1) NFT of Jigsaw's Workshop; provided that such user must also (i) hold such completed Set or Sets in their DraftKings account at 11:59 p.m. Eastern Time on October 31, 2021 (the "**Activation Deadline**"), as determined by Autograph in its sole discretion; (ii) have established a user account on Autograph.io before the Activation Deadline; and (iii) have successfully linked their DraftKings account to their Autograph account before the Activation Deadline. In addition, a user must have established, and must successfully associate, their MetaMask or Coinbase Wallet with their Autograph account no later than forty-eight (48) hours after the Activation Deadline, as determined by Autograph in its sole discretion, to receive a Jigsaw's Workshop NFT. (The requirements in this paragraph are collectively the "**Eligibility Criteria.**")

A user who completes more than one Set of the same Collectibles is only eligible to receive a single Jigsaw's Workshop for all duplicative Sets. For example, a user who held two Water Cube Traps, two Water Cube Schematics and two keys at the Activation Deadline and satisfies the other Eligibility Criteria would only be eligible to receive a single NFT of Jigsaw's Workshop because that user holds two Sets of the same Collectibles. A user who held the Death Mask Trap, the Death Mask Schematic, the Bucket Head Trap, the Bucket Head Schematic and two keys at the Activation Deadline and satisfies the other Eligibility Criteria, however, would be eligible to receive two NFTs of Jigsaw's Workshop because that user holds two different Sets of Collectibles.

Individuals who wish to be eligible to receive an NFT of Jigsaw's Workshop are advised to hold their completed Set or Sets well in advance of and after the Activation Deadline to ensure that their eligibility is properly verified. Only users who satisfy all Eligibility Criteria, as determined by Autograph in its sole discretion, will be eligible to receive an NFT of Jigsaw's Workshop. Any user who completes a Set after the Activation Deadline, or who no longer possesses a Set as of the Activation Deadline, in each case, as determined by Autograph in its sole discretion, will not be eligible to receive an

NFT of Jigsaw's Workshop. All NFTs of Jigsaw's Workshop are identical regardless of which Set the user completes.

If fewer than one thousand (1,000) Sets are redeemed for an NFT of Jigsaw's Workshop following the Activation Deadline, Autograph will reserve the remaining Jigsaw's Workshops, and may sell, retain, burn or otherwise handle disposition of such Jigsaw's Workshops at any time in its sole discretion.

This is a limited time offer. Your purchase or receipt of any Collectible is subject to these Terms & Conditions for the Saw Chapter 1 Collection and Autograph's Terms of Service at <https://terms.autograph.io/tos.pdf>. If you violate any of Autograph's Terms of Service, in addition to all other available remedies, you may be deemed ineligible to purchase any Collectibles or receive an NFT of Jigsaw's Workshop.
