Utility

Game Play Utility

The Game Play Utility for the Collectible is the ability to join a competition created by the web3 company Internet Game. In order to be eligible for Game Play Utility, the Collectible holder must:

- (i) be at least eighteen (18) years of age at the official start date of game play. In jurisdictions, territories, and locations where the minimum age for permissible use of Internet Game's website is greater than eighteen (18) years old, the Collectible holder must meet the age requirement in their local jurisdiction or territory;
- (ii) agree to abide by all applicable laws in the jurisdiction where the Collectible holder is located while playing the games; and
- (ii) have successfully linked a non-custodial wallet (by way of example, a MetaMask or Coinbase Wallet) holding the Collectible to Internet Game's website, internet.game (collectively, the "**Utility Eligibility Criteria**," and each External Non-Custodial Wallet which satisfies such criteria, a "**Utility Eligible Wallet**").

Further, the Collectible holder acknowledges that the competition is created and operated only by Internet Game, and that various rules, regulations and laws addressing sweepstakes, contests, and tournaments with entry fees and/or prizes govern the Collectible holder's participation in Competitions ("**Gaming Laws**"), and that Gaming Laws are set up by each individual US state, country, territory, or jurisdiction. It is the holder's responsibility to determine whether the state, country, territory or jurisdiction in which they are located is a jurisdiction in which participating in the SAW Game is prohibited. Internet Game reserves the right (but has no obligation) to monitor the location from which the holder accesses Internet Game's services and may block access to those services as a result.

The implementation, rules, and mechanics of the mini-games described below will be determined by Internet Game. Players of these games will be required to agree to the Terms of Use of Internet Game at <https://internet.game/terms-of-use>. If you do not agree to Internet Game's Terms of Use, please do not purchase, claim or otherwise

receive a Collectible. For further details, see the Game Rules for the SAW Games at <https://terms.autograph.io/SAW2022GameRules.pdf>.

An External Non-Custodial Wallet will be allowed to purchase as many Collectibles as the purchaser wishes.
